

Carolina Mountain Longarm Association MEMBERSHIP FORM

Purpose: The Carolina Mountain Longarm Association is an organization of longarm and midarm machine quilters in Western North Carolina. Our goals are to further the development of both professional (done for profit) and hobbyist (done for pleasure) machine quilters through non-competitive support, mentoring, sharing, inspiration, and studio visits.

Requirements for Membership: You must currently own a longarm or midarm machine, either stand up or sit down in order to join our group. As much as we like helping people, our time has been abused in the past by people wanting information while looking for a longarm to buy. We have had to make current ownership a requirement.

Brand of machine: _____ Model/Type _____

Dues: Annual dues are \$15 and are payable by June 15 of each year. Prospective members are allowed one complimentary visit prior to joining.

Meetings: We meet on the first Wednesday of alternate months at 10:30 am. See our website at wnclongarm.com for meeting information.

First Name _____ MI _____ Last Name _____

Business Name: _____

Address _____

E-mail _____

Phone Number _____ Cell Phone _____
